momì

Un design che ispira sogni, crescita e sorrisi.

C'era una volta un dolce orsetto che viveva tra le stelle, in un cielo morbido come una coperta di nuvole. Dall'alto osservava un mondo incantato, dove giraffe sorridenti, api dorate e delicate ballerine danzavano tra foreste magiche e luci scintillanti. La collezione Momi nasce da questa immaginazione fiabesca, trasformata in una carta da parati raffinata e contemporanea, ispirata a uno stile gentile e sognante amato da bambini e genitori di tutto il mondo. Le tonalità pastello dal rosa cipria al celeste polveroso, fino alle più delicate sfumature sabbia, si fondono in una palette armoniosa di colori neutri e vellutati, creando ambienti accoglienti e sereni.

Ogni parete diventa una tela su cui prendono vita storie di amicizia, gioco e meraviglia, popolate da personaggi disegnati con linee morbide, pulite e moderne. Realizzata con materiali di alta qualità e una cura artigianale per ogni dettaglio, la collezione Momi è pensata per crescere insieme ai bambini, riempiendo le loro stanze di sogni, leggerezza e amore.

Con Momi, ogni ambiente diventa un piccolo universo di poesia, dove il design incontra la magia dell'infanzia.

Design that inspires dreams, growth, and smiles.

Once upon a time, there was a sweet little bear who lived among the stars, in a sky as soft as a blanket clouds. From above, he gazed at an enchanted world where smiling giraffes, golden bees, and delicate ballerinas danced through magical forests and sparkling light.

The Momi collection was born from this fairytale imagination, transformed into refined, contemporary wallpaper, inspired by a gentle and dreamy style loved by children and parents around the world. Pastel shades from soft blush pink to powdery blue and the gentlest sandy tones, blend into a harmonious palette of neutral, velvety hues, creating welcoming and serene spaces. Every wall becomes a canvas where stories of friendship, play, and wonder come to life, populated by characters drawn with soft, clean, and modern lines. Crafted with high-quality materials and artisanal attention to every detail, the Momi collection is designed to grow with children, filling their rooms with dreams, lightness, and love. With Momi, every room becomes a little universe of poetry, where design meets the magic of childhood.
