THE ART OF SURFACE

Some spaces embrace you quietly – with warmth,
a textile feel, and a sense of home.

Finely woven, running diagonally, barely visible – and yet perceptible in the room. This surface is reminiscent of soft denim. It gives the wall a calm finish that combines well and pleasantly recedes into the background.

The slightly angled structure creates movement across the surface - without pushing into the foreground. The textile character adds warmth and a gentle materiality to the room.

This surface resembles soft leather - velvety, matte, and subtly textured. With its calm presence, it supports a homely atmosphere with a textile character.

color variations | non-woven wallcoverings | roll dimensions: 1,06 m × 10,05 m

In muted colours with a natural appearance, a wall design emerges that acts like a subtle backdrop - unobtrusive, homely, and pleasantly understated.

The texture is reminiscent of fine linen or jute – distinctly textile, yet subtle.
It gives the wall a natural look that feels both homely and modern.
